

# Nest Only Containers

Apparel ■ Refrigerated/Frozen Foods ■ Bakery Items ■ Snack Goods

Nest-Only Containers meet the diverse needs of many types of picking and storage applications in modern distribution systems. Durable injection-molded HDPE construction, combined with superior design make these containers returnable and reusable for over 250 trips, providing excellent return on investment and reduced distribution cost per trip over corrugated boxes.

Containers with optional covers are used for wholesale and retail distribution of health and beauty aides, pharmaceuticals, general merchandise, soft goods, hardware, grocery and automotive parts. Multiple identification options and accessories available. (Please see page 113.)

The ORBIS 45 x 48-C CISF LP pallet is compatible with all 21" x 15" Nest-Only Containers.

Stack firmly with covers and nest securely when empty for optimum space utilization.

# Hopper Containers

Consumer Packaged Goods ■ Health and Beauty Care ■ Pharmaceutical

The innovative NOH2416-12 Nest Only Hopper Front Container is designed for distribution centers where it is an integral part of the automated storage and replenishment system. The easy open and close door provides for efficient insertion and removal of product. This container offers effortless one hand operation,

durable plastic hinge design and ergonomic handles for product support when door is closed. It offers efficient nesting with hopper door closed. The NOH2821-14 offers a additional internal capacity and ideal for picking applications in high-speed automated warehousing systems.

Recessed label areas
