PRODUCT APPLICATION SHEET

NPL 215

Now from ORBIS (formerly Norseman Environmental).

All-plastic 6.0 gallon stack and carry recycling bin ideal for multi-unit residential buildings. Stacks when full and nests when empty and features hopper front design for easy sorting. Contoured handle for easy carrying. Durable, injection molded for long service life. Engineered to withstand temperatures from -40 to 130 degrees Fahrenheit. Large, ergonomically designed carrying lip allows for easy handling and comfortable pick-up.

BENEFITS

- 6.0 gallon capacity
- Stack and nest design
- Contoured handle
- High nesting ratio
- BPA free
- Available in custom colors
- UV stabilizer is added to resist deterioration from sunlight
- Made from recycled content
