ORBIS newest Hand Held Folding Containers stack with straight-wall containers in the same footprint, allowing mixed loads to be efficiently shipped.

These collapsible containers stack securely when assembled and collapse efficiently when empty, for reduced return freight costs. Smooth, straight interior walls offer maximum cube utilization and easy interface with custom interior dunnage. All reusable containers fit on the standard 45" x 48" AIAG pallet footprint. These plastic containers are fully recyclable at the end of their service life.

BENEFITS
