PRODUCT APPLICATION SHEET

40 x 48 GrabPal Plastic Stackable Pallet - ORBIS

ORBIS' 40 x 48 GrabPal pallets are designed specifically for order pickers from Crown, Hyster, Raymond and Yale.

They also interface with regular lifts equipped with pallet clamps. These plastic pallets are designed for handling and shipping heavy product loads in warehousing, processing and manufacturing environments. These reusable plastic pallets offer a long service life and are ideal for stack loading, conveying systems, distribution and static storage. The non-porous, smooth design makes these pallets easily cleanable. These plastic pallets offer an economic, environmental and efficient alternative to wood pallets or skids. Available heights include 5.5" (with 3.0" connectors) or 6.2" (with 3.7" connectors).

BENEFITS

- Structural foam molded
- Recyclable
- Optional grommets available - Deck grommets (qty: 4), Fork tine grommets (qty: 4)
- Optional roughed surface available
- Available in custom colors
- Tapered 4 way entry
