PRODUCT APPLICATION SHEET

DA 2412

ORBIS Dairy Cases are designed for the efficient distribution of fluid milk products and fruit juice from dairy processing facilities to grocery stores, convenience stores and discount stores.

Available in the two standard footprints mandated by the dairy industry, these cases offer exceptionally reinforced corners and bottoms. Designed for a long service life, ORBIS cases maintain their shape and performance through stacking, pressure washing and transportation. These plastic containers are fully recyclable at the end of their service life. Asset tracking systems available to reduce loss.

BENEFITS

- 19" x 13" footprint
- Extended size holds more product
- Fits 5-up on standard 40 x 48 pallets
- Exceeds rigorous dairy standards
- Universally compatible
- Designed for automation
- Optimal air flow maintains temperature
- Reinforced base and corners for exceptional stacking strength
- Bar code and RFID tag availability for efficient asset tracking
- Available in FDA-approved materials (Please specify when requesting a quote.)
