PRODUCT APPLICATION SHEET

32 x 30 CIISF Plastic Stackable Pallet - ORBIS

ORBIS stackable pallets are designed for handling and shipping heavy product loads in warehousing, processing and manufacturing environments.

These reusable plastic pallets offer a long service life and are ideal for stack loading, conveying systems, distribution and static storage. The non-porous, smooth design makes these pallets easily cleanable. They are manufactured in 100% recyclable material and offer an economic, environmental and efficient alternative to wood pallets or skids.

BENEFITS

- 32" x 30" footprint
- Structural foam molded
- Recyclable
- "No guess" loading, with molded-in ridges to securely and accurately position containers
- Optional seat belts available. (30" sides only)
- Fork Truck Entry: 4-way
- Hand Truck Entry: 2-way (32" side)
