NEW StakPak from ORBIS!

The NXO1215-7 offers a textured surface for easy label removal. The StakPak System offers more than 20 straight-wall modular containers with advanced features to optimize your reusable packaging system. The StakPak container system is designed for just-in-time applications where the same containers are used for shipping, storage and work-in-process. StakPaks are compatible with a wide variety of AIAG pallets, top caps and seat belt systems. Reinforced external ribbing adds maximum stacking strength. Molded-in continuous bumper keeps dirt and dust from contaminating product. Drain holes in bumper and handles ensure easy cleaning and draining. Smooth, straight interior walls of the NXO1215-7 offer maximum cube utilization and easy interface with custom interior dunnage.
