PRODUCT APPLICATION SHEET

45 x 48 JOURNEY

The ORBIS 45 x 48 Journey pallet is designed for handling and shipping heavy product loads in warehousing, processing and manufacturing environments.

These reusable plastic pallets offer a long service life and are ideal for stack loading, conveying systems, distribution and static storage. The non-porous, smooth design makes these pallets easily cleanable. This plastic pallet offers an economic, environmental and efficient alternative to wood pallets or skids.
