ORBIS Nest-Only Containers meet the diverse needs of many types of order picking and shipping requirements in modern distribution systems.

Durable construction and superior design make these reusable containers last more than 250 trips, providing excellent return on investment and reduced distribution cost per trip over corrugated boxes. Smooth, drafted walls for easy handling and dimensional consistency for repeatable performance in automated systems. These plastic containers are fully recyclable at the end of their service life.

BENEFITS

- 21" x 13" footprint
- Stacks firmly with covers and nests securely when empty for optimum space utilization
- Optional detached cover
