PRODUCT APPLICATION SHEET

1120 x 1300 BulkPal

The 1120 x 1300 BulkPal is designed for handling and shipping heavy product loads in warehousing, processing and manufacturing environments.

These reusable plastic pallets offer a long service life and are ideal for stack loading, conveying systems, distribution and static storage. The non-porous, smooth design makes these pallets easily cleanable. ORBIS pallets are manufactured in 100% recyclable material and offer an economic, environmental and efficient alternative to wood pallets or skids.

BENEFITS

- Euro-sized pallet
- Available in FDA approved material
- Designed to convey filled beverage products, aluminum and steel cans, glass, plastic bottles and can ends and other rigid packages on many palletizers and conveyor systems
- Recessed area for bar coding
- Tapered 4-way entry
