

PRODUCT SPEC SHEET

1100 x 1200 and 1100 x 1240 Beer-Pal Pallets

ORBIS Beer-Pal Pallets are ideal for storing and conveying filled beverage products, aluminum and steel cans, glass and plastic bottles, can ends and other rigid packaging. Its structural foam injection molded construction provides strength, durability, close tolerance, dimensional consistency and stability.

The Beer-Pal pallet's one-piece design is easy to clean. It is impact-resistant, available in a variety of colors and is available in FDA approved materials for all types of food and beverage applications with a temperature range of -20°C to 55°C (-4°F to 130°F). This highly conveyable BeerPal pallet has recessed areas for UPC bar coding. At the end of its service life, the BeerPal is fully recyclable.

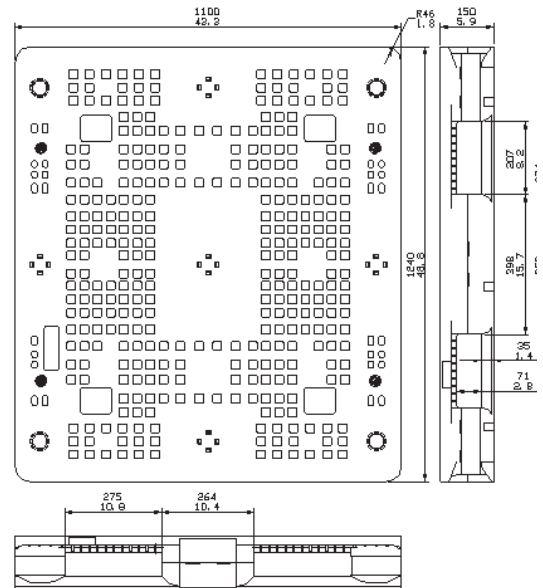

Applications

- Beverage
- Pharmaceutical
- Industrial
