ORBIS OFFERS TOTAL SYSTEM BAKERY SOLUTIONS

We celebrate a legacy of innovation, collaboration and customer commitment in the bakery industry. With decades of experience, ORBIS is truly your one-source packaging partner.

ORBIS bakery systems are designed for the efficient flow of bread and baked goods throughout the supply chain from the bakery to grocery stores, mass merchandisers, restaurants and convenience stores. When full, baskets stack securely for easy transport and merchandising. When empty, they cross-stack and nest for back room and truck space savings. Combine with pallets and dollies for a full system to quickly move, store, ship and merchandise all types of bakery items from bakery to retail.

BAKERY LINE OVERVIEW

- Reduce per-trip costs over the service life of reusable packaging.
- Add automation efficiency with dimensional consistency.
- Improved food safety with FDA approved materials.
- Improved merchandising efficiency.
- Reduce product damage. No nails or loose cartons to damage product.
- Reduce packaging waste associated with wood pallet disposal.
- Reduce risk of dust and wood contaminants with all plastic designs.
- Maximize truckload utilization with standardized packaging.

COMFORT GRIP OPEN HANDLES
Reduce worker strain with contoured corners and surfaces.

SYSTEM EFFICIENCY
Bun trays that can integrate with automated systems, and offer smooth surfaces and contoured corners for product protection.

SPACE SAVINGS
When full, baskets stack securely for easy transport and merchandising. When empty, they cross-stack and nest for back room and truck space savings.

Asset Management, Repair and Tracking

In the high-velocity world of bakery, managing and tracking trays and dollies are critical to optimizing your distribution network. With the technology option that is right for you, ORBIS analyzes your fleet to create a tracking program to reduce dwell time and prevent tray loss, so you have trays on hand when you need them. ORBIS also offers a variety of repair center options when your packaging requires refurbishment. With ORBIS, we help you fully utilize your fleet, so you can focus on your core business.

Recycle With ORBIS

Recycle with ORBIS is a comprehensive prodrum designed to effectively recover, recycle and reprocess plastic material into other useful products. By design, plastic reusable packaging can be fully recycled into other useful products at the end of its service life. ORBIS is an environmentally conscious company that provides alternatives to the disposal of excel, surplus, damaged or obsolete plastic packaging.
