SNB2416-11 Tote

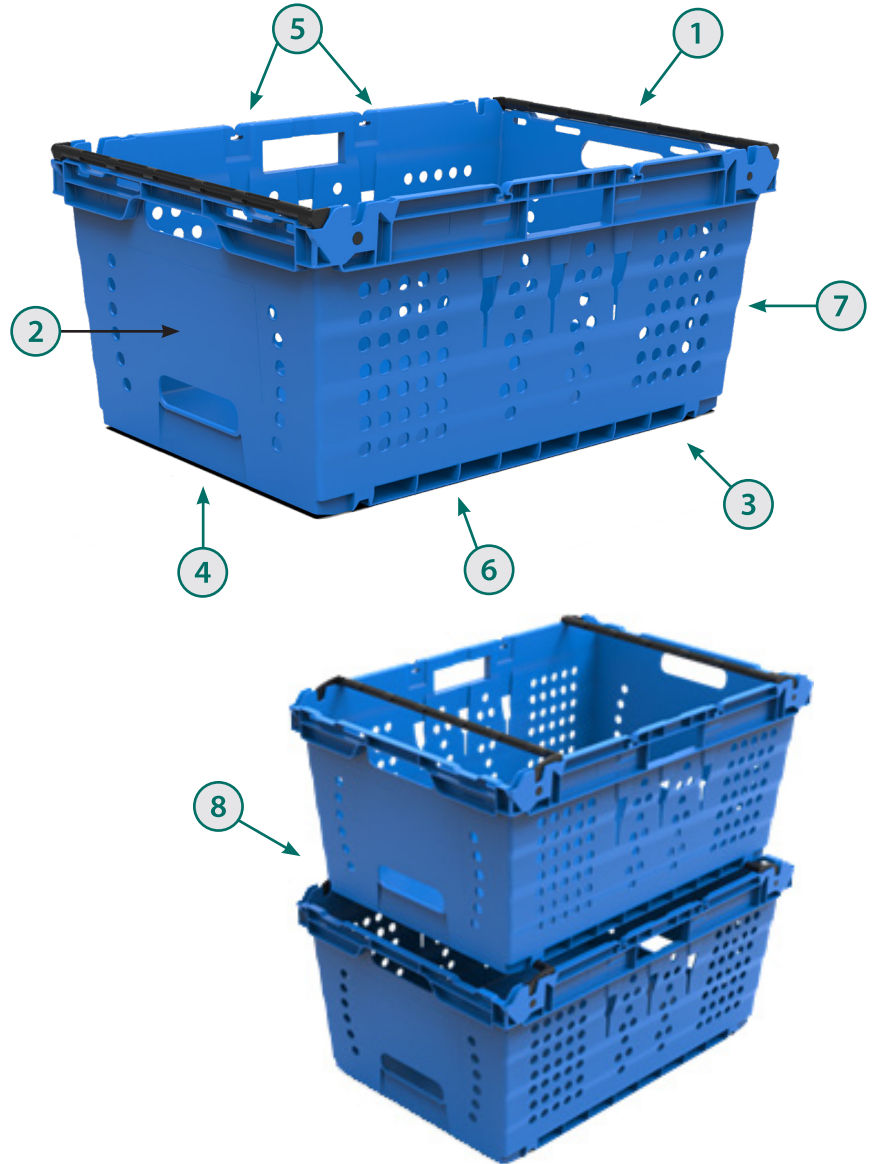

New SNB2416 Tote Designed for Efficient Pick-up Order Fulfillment

Pick, stage and deliver online orders easier and faster with the new SNB2416 tote.

As consumers continue to shift buying patterns to buying online and picking up in-store, retailers are developing new in-store processes to quickly fulfill online orders. The Tote accommodates all types of merchandise and works seamlessly in ORBIS' XpressPickup™ System featuring totes, dollies and in-store carts.
