

PRODUCT SPEC SHEET

1120 x 1420 BulkPal Pallet

The 1120 x 1420 BulkPal pallet is ideal for handling and shipping heavy product loads in warehousing, processing, and manufacturing environments. This repairable, reusable plastic pallet offers a long service life and is ideal for stack loading, conveying systems, distribution, and static storage.

The BulkPal pallet is designed to convey filled beverage products, aluminum and steel cans, glass, plastic bottles and can ends and other rigid packages on many palletizers and conveyor systems.

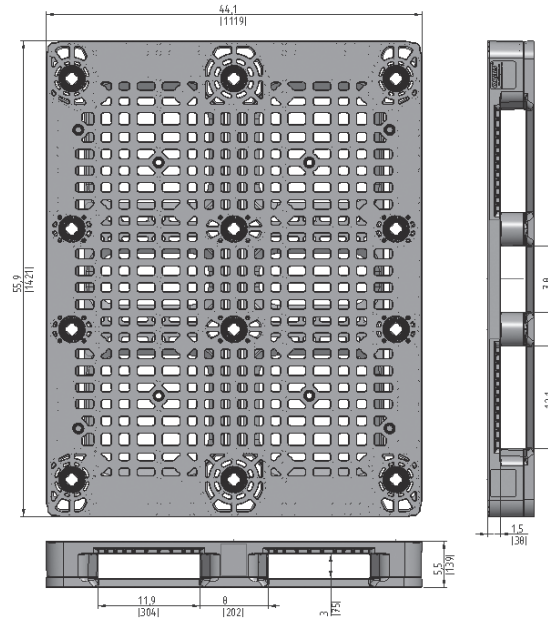

Applications

- Food Processing and Distribution
- Consumer Packaged Goods
