

PRODUCT SPEC SHEET

# 1120 x 1420 BulkPal Repairable Pallets

The 1120 x 1420 BulkPal Repairable pallet is ideal for handling and shipping heavy product loads in warehousing, processing, and manufacturing environments. This repairable, reusable plastic pallet offers a long service life and is ideal for stack loading, conveying systems, distribution, and static storage.

The BulkPal Repairable pallet is designed to convey filled beverage products, aluminum and steel cans, glass, plastic bottles and can ends and other rigid packages on many palletizers and conveyor systems.

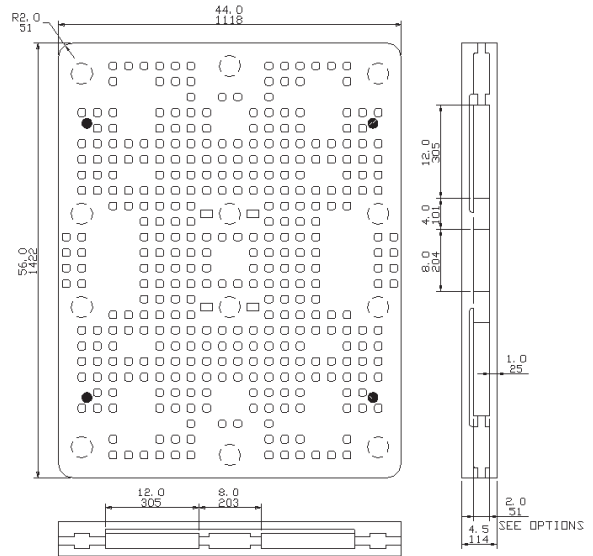

## APPLICATIONS

- Food Processing and Distribution
- Consumer Packaged Goods

## PRODUCT FEATURES

- Halogen-free, bromine-free
- Patented snap-fit design allows for on-site repair
- Non-porous, smooth design
- Compatible with all palletizers, conveyors and automatic systems
- Tapered 4-way entry
- Available in 2 heights
- Optional add-ons: hot stamp, molded-in logo, grommets, bar coding, custom colors
